WHAT IS THE FIRST THINGS FIRST YUMA REGIONAL PARTNERSHIP COUNCIL PARENT COACHING FOR PARENTS/GUARDIANS OF CHILDREN AT-RISK FOR DEVELOPMENTAL DELAY GRANT PROGRAM?

The Yuma Regional Partnership Council has identified the need for regional implementation of the following strategy:

- Supportive coaching to increase parent capacity to support their child who is at-risk for developmental delay, both directly as caregivers, and “first teachers” as well as improving parent ability to access and advocate for services.

The intended target population for this funding opportunity is families of children birth through age three in the Yuma regional area who have been screened and/or evaluated for early intervention services and found not eligible for services. In order to prevent duplication of services, it will be imperative that the grantee of the strategy coordinate with the local providers currently conducting screenings for children as well as local service providers who determine eligibility for services. The successful Applicant will need to develop a mechanism whereby they are receiving the appropriate referrals for families of children who fall within the outlined target population. In addition to receiving referrals, the grantee must also have a mechanism in place to refer families to the appropriate service agencies for follow-up screening and/or evaluation should the parent or home-provider have continued concerns regarding the child’s progress in development.

The intent of this strategy is to provide a comprehensive Parent Coaching and support system, which will include ongoing in-home, individualized supports to parents/guardians of children birth through three meeting established criteria.

WHAT IS THE TOTAL AMOUNT OF FUNDING AVAILABLE?

This is a five (5) month contract for the fiscal year ending June 30, 2011 with an option for renewal for two (2) additional twelve (12) month periods.
